Spelling Bee and World Book Day

Pictured receiving their prizes for being the top spellers in their respective Year 8 classes are pupils, Daire McNabb, 8A; Caionn Kelly, 8B; Pearse Fox,8D; Shay Northern, 8E and Cian McGuigan 8F. Missing from the photograph is Ultan McAleer, 8C. The students had to complete arduous daily training in the weeks before their very exciting class final. All the winners said they did not expect to win, but agreed the Easter egg prizes made all their efforts worthwhile. If the prize-winning students look just a little bit nervous, it is because the award ceremony coincided with another important day in the English Department calendar- World Book Day. The winners were rather alarmed to encounter their teachers in various costumes, behaving very differently from usual. Pictured as their favourite book characters are Mrs Pearson: Miss O Brien; Mrs Duncan; Mr Murphy; Mr Donnelly and Mrs Gallagher. All of these teachers were very impressed by the efforts of these worthy winners, it is not known if the winning students were impressed with their teachers' choice of characters and costumes! An enjoyable day was had by all.

Musical Entertainment For St Patrick's Day

To celebrate St. Patrick's Day, the Junior and Senior Traditional Music Groups provided us and the public with music to get us in the mood. Pictured top, the Junior group in the foyer with Mrs McCourt and pictured right, the Senior group entertain the passers by in the town centre.

JUNIOR CHOIR

Junior Choir rehearsals are every Tuesday @ 12.45 in Music

Morning Prayer for Lent

We invite all staff and pupils to spend time in prayer this Lent.

There will be Morning Prayer led by Brother Gough, before the Blessed Sacrament, every school morning during Lent. The prayer begins at 8.50am and ends at 9.00am in the Assembly Hall.

Year 8 Land Use Survey

Well done to all our Year 8 Geographers who completed a land use survey of Omagh and thank you to all our fantastic senior students for their help!

Important Notice

At the moment we have a number of pupils in school who are highly sensitive to nuts in particular peanuts, exposure or ingestion of nuts can cause very serious health problems for some students therefore.

We would very much appreciate if pupils refrain from bringing nuts or nut products ie peanut bars, sweets, into school, and to remain diligent if any of their friends suffer from nut allergies, also;

If pupils are travelling on school trips, we request that they refrain from bringing any form of nut or nut products on the trip, to ensure the safety of their friends.

Work Experience Opportunities Available in:

Business

IT

Science & Engineering

See Mrs McGaughey in Careers Office (beside Study Centre) for more information.

BBC Apprenticeships

Wish to get a head start in a career in Journalism or TV/ Radio Production?
