Food Allergies

IMPORTANT NOTICE

At the moment we have a number of pupils in school who are highly sensitive to nuts in particular peanuts, exposure or ingestion of nuts can cause very serious health problems for some students therefore we would very much appreciate if pupils refrain from bringing nuts or nut products i.e. peanut bars, sweets, into school. and to remain diligent if any of their friends suffer from nut allergies. If pupils are travelling on school trips, we request that they refrain from bringing any form of nut or nut products on the trip, to ensure the safety of their friends.
