CBS Welcome Primary 6 Pupils for STEM Day

On Wednesday 25th, we welcomed some current Primary 6 pupils from St. Mary's, St. Conor's, Recarson, Holy Family and Christ the King to get a flavour of our school. The pupils participated in various STEM related activities in our Science, Technology and Home Economics Departments.

Preparing for the rocket launch challenge in Technology

Being guided through a Science Experiment by Mrs Traynor

Making pizza in Home Economics

NUT ALLERGIES

At the moment we have a number of pupils in school who are highly sensitive to nuts in particular peanuts, exposure or ingestion of nuts can cause very serious health problems for some students therefore.

We would very much appreciate if pupils refrain from bringing nuts or nut products ie peanut bars, sweets, into school, and to remain diligent if any of their friends suffer from nut allergies also.

If pupils are travelling on school trips, we request that they refrain from bringing any form of nut or nut products on the trip, to ensure the safety of their friends.

Pupil care plans, spare EpiPens / Inhalers must accompany pupils prescribed same when off site, in order to manage Anaphylactic crisis should the need arise.

Year 9 Visit to First Trust Bank

As part of their Employability programme, class 9D visited First Trust Bank in Omagh in order to gain an insight into employment in the Banking sector.

The students receive a talk on the work of First Trust Bank from Debbie Deans

The students enjoy refreshments during the presentation

libraries ni Connect with us

Aged 17 & over?

Thinking on a career working with children?

Need work experience?

Libraries NI offers a number of short and longer term volunteering roles which will give young adults aged 17 years and over an opportunity to gain invaluable experience.

The Children's Events Volunteer will be useful to anyone thinking of careers involving children or working in a learning environment.

The volunteer will support Libraries NI staff in delivering activities to children in libraries, complementing the regular programmes already delivered to children.

This may include:

- Supporting the new Big Summer Read
- Craft activities
- Organizing events
- Storytelling.

Hours are flexible but we are looking for someone willing to commit to at least **two hours per week** for a short period of time – perhaps during school holidays.

Visit www.librariesni.org.uk under vacancies for more details

CBS Boys win Bawnacre Cup for Second Year in a Row!!

Omagh CBS U-13's won the Fermanagh & Western Bawnacre Cup for the second year in a row after defeating Devenish College 1-0 in the final. The CBS boys won all 6 group games, playing some wonderful football along the way, but the pressure told in the final stages of the competition with the semi-final going to a penalty shoot-out after a 0-0 draw with Fivemiletown College. The CBS came out on top in the dreaded penalties 6-5 with goalkeeper Cian Harper scoring the winning penalty. The final against Devenish College was another tense affair which took extra-time to separate the two sides. The CBS emerging victorious after Conor Bradley's wonderful individual goal broke the deadlock.
