Cambridge Summer School 2017

In June 2017, two of our senior students, Anthony Bradley and Adrian Beattie attended the Cambridge Summer School Residential for students from Northern Ireland. Anthony and Adrian were selected to attend based on their excellent academic performance at GCSE.

The students stayed in genuine student accommodation at Corpus Christi College for two nights and were treated to an array of food to delight the taste buds during their stay! Both students spent time in their chosen subject departments, getting a taster of the tutorial system at University of Cambridge and they also took part in activities such as a movie night, a quiz and a formal dinner in the Grand Hall.

It was a fantastic opportunity for the students to find out about life at University of Cambridge and also to make new lifelong friends. After the summer school, they travelled to Oxford for the University Open Day.

Visit the Careers Blog on the CBS website for Anthony's full review of his summer school experience.
