Tom Papakyriacou-Gavin was narrowly beaten on the dip at the finish line and came bronze in the Minor boys 100m.

Nathan Farry also clinched bronze in the Minor boys 800m.

The Minor boys 4 x 100m RELAY team took gold with an impressive performance in the final.

Thank you to all the dedicated athletes for competing in a very well organised competition and to the staff involved in what was a very long day. Thanks to the parents for getting the boys in for the early 7:40am start and apologies for late end to the day back to Omagh for 7pm, the last relay race ended at 5:00pm.
