All Ireland Success

Fantastic success at Tullamore on 1st June for CBS athletes winning 5 silver medals. Blaine Lynch threw his way to silver in the Junior boys 600g javelin, Blaine threw 45.46m. Our Minor boys 4x100m relay team blitzed home in 2nd place in a hotly contested race with superb sprints and slick hand-overs by Tom Pap-Gav, Charlie Donnelly, Nathan Farry and Blaine Lynch, in a lightening quick 49.28sec. Needless to say Mr McFlynn was over the moon with their achievement!

Careers

Are you in Year 13 and thinking of applying to study medicine or dentistry?

Most UK universities require applicants to sit an admissions test in addition to their other entry requirements. The UCAT (previously known as the UKCAT) is required by the majority of UK universities and must be sat in the summer of 2019 by students who want to apply to member universities for entry in 2020.

Registration opens in early May 2019 and testing takes place over the summer between 1st July - 2nd October 2019.

The test is sat at a Pearson VUE registered test centre. Our local test centre is based at Anderson House, 41 Market Street, Omagh.

For further information please follow link to UCAT website:
<https://www.ucat.ac.uk/ucat/>

Applications for Free School Meals/School Uniform/Physical Education Clothing Allowance for 2019-20 are now available. If you did not receive an application in the post you can download the form directly from the EA website

IMPORTANT NOTICE

At the moment we have a number of pupils in school who are highly sensitive to nuts in particular peanuts, exposure or ingestion of nuts can cause very serious health problems for some students therefore we would very much appreciate if pupils **refrain from bringing nuts or nut products i.e. peanut bars, sweets, into school**, and to remain diligent if any of their friends suffer from nut allergies.

If pupils are travelling on school trips, we request that they refrain from bringing any form of nut or nut products on the trip, to ensure the safety of their friends.
