

McAleer Jackson
CHARTERED ACCOUNTANTS

Trainee Accounting Technicians

At McAleer Jackson Ltd we believe in careers, not jobs. We are a people business, not only in the way we deal with our clients, but in the opportunities we offer our staff. If you are looking for a career with a future and not just a job, then we want to hear from you.

We are an established and progressive firm of Chartered Accountants, with a wide range of corporate and non-corporate clients. Our area of expertise is offering proactive and timely professional tax advice.

We have vacancies for high calibre school leavers in both our Omagh and Strabane offices.

The successful candidates will work in a thriving and vibrant environment gaining experience in a wide variety of accounting and taxation fields. They will also study for the highly valued professional Accounting Technician qualification.

To apply you should have, or be on course to obtain, top A-Level grades or equivalent qualifications.

The successful applicants will also need to be articulate, professional, have good IT skills and possess a real desire to succeed.

An attractive remuneration package, which includes study leave, is on offer.

If you believe you meet our requirements and have the desire to develop your career, please forward a full Curriculum Vitae by email to Kerry Coyle at kerry@mmjca.com

Closing date: - Friday 14th February 2020.

Address:- Church House, 24 Dublin Road, Omagh, BT78 1HE

McAleer Jackson are an Equal Opportunities Employer.
