## Appeals, June 2020 examination series

### Candidate consent form

#### Information for candidates

The following information explains what may happen during the appeals process.

If your school or college submits an application for an appeal on your behalf after your subject grade has been issued, there are three possible outcomes:

- Your original calculated grade is lowered, so your final grade may be lower than the original grade you received.
- Your original calculated grade is confirmed as correct, so there is no change to your grade.
- Your original calculated grade is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the appeal, you must sign the form below. (This can be an electronic, handwritten or typed signature.) This tells the head of your school or college that you have understood what the outcome might be, at any stage of the appeals process, and that you give your consent to the appeal being submitted.
