Sam Returns to the CBS

On Friday 10th December we were delighted to welcome Tyrone winning All-Ireland Manager Feargal Logan, along with a number of former students that make up his All Ireland conquering backroom team and playing squad. In total we had 14 former students directly involved in capturing Sam Maguire for a 4th time, 7 on the playing squad and 7 in the backroom team. Unfortunately, not all of them could join us for the celebration due to work commitments. Players Conor Meyler, Ronan O'Neill, Niall Sludden, Peter Teague and Ben McDonnell, along with the backroom team of Joe McMahon, Louis O'Connor, Brain Sally, Hugh McAleer and current staff member Des Maginness took part in a number of special assemblies. The assemblies began with the players being warmly greeted as they paraded the Anglo Celt Cup and Sam Maguire Trophy. After a brief welcome message from school Principal Mr F McConnell, Manager Feargal Logan addressed the group as did Conor Meyler before Vice Principal Mr N Donnelly lead a question and answer session. The whole CBS community is delighted with Tyrone's success, and we are very grateful for the players and backroom teams' efforts in visiting us today. Hopeful they have ignited a spark for many students who will one day follow in their footsteps. Players unable to attend the celebration were Peter Harte and Tiernan McCann. Backroom members Gareth Haughey and Stevie Rice were also unavailable.

“Réabhlóid an hiomána” The Hurling Revolution

A hurling revolution is under way with our Year 8 pupils every Monday at Coolnagard Park. Nothing has broken their stride and have been braving the rain, hail, sleet and snow in all its glory. Mr. Mac Nia has been very impressed with the “All-star” skill level of the young men and that’s a credit to their dedication and the work their clubs are doing with them. Who knows, we may have a future Joe Canning or Cian Lynch in waiting.

**School Carpark

**Saturday 18th Dec (9am - 5pm) and
Sunday 19th Dec (1pm - 5pm)**

Members of the public will be offered the opportunity to make a donation to the Enda Dolan Foundation for use of the school carpark.

Carol Services

Many thanks to all those who participated in our Christmas Carol Services at the Sacred Heart Church this week. Special mention to Ms Nugent, Mrs Fretigny and all our musicians.

Year 8 students enjoyed a wonderful day out to see Hazel Wand's production of Oliver in the Strule Arts Centre, Omagh last week. 8C were so proud of their classmate Dillan McGirr who played the lead role and we felt all so proud of all our pupils who graced the stage. You were all amazing! It was great to be back at the theatre!

Christmas Crafts

Well done to our 9C students our created these beautiful stained glass effect nativity scenes.

Agriculture Trip

Last week our Year 11 and Year 12 Agriculture students visited the farm of our former colleague Mr Martin Morris to get an insight into the planting of areas of native woodland. Many thanks to Mr Morris for continuing to impart his knowledge despite his retirement!!

MacRory Cup

Our MacRory Cup squads draw last week with St Pat's, Cavan on a scoreline of 0.11 apiece ensures their passage to the knockout stages of the competition. Well done lads!

Soccer

Our U16 Soccer team progressed to the Quarter-finals of the School's Cup with a hard earned 3-2 win over Portadown College. The goals were scored by Charlie Donnelly x 2 and Ben Kelly. The Quarter finals will be played in January. Well done boys, now for the last eight!

Many thanks to our wonderful canteen staff for serving up a fabulous Christmas Dinner on Wednesday. Special mention must also go to our Senior Prefects who did a tremendous job of ensuring that the operation ran smoothly.

Technology Trip

Our KS4 and Post 16 students studying Technology and Engineering were introduced into the heart of local engineering as they visited Telestack Ltd this week. The excellent tour guides safely showed our 76 pupils how the raw materials can be designed and manufactured into majestic machines. Telestack are world leaders within the industry and they really do live up to their motto, "The power to move materials"!
