Year 12 Science Trip

This week our Year 12 Science students took part in a very enjoyable 'Chemistry at work' exhibition in Ulster Museum, Belfast and Queen's University Belfast.

This trip gave the boys an opportunity to explore the role of Science beyond the classroom.

University of Ulster are running a Digital Design competition - Open to Year 10 - 14 pupils

You ARE the future!

Design an APP using Augmented Reality

AR allows us to introduce digital elements into real world environments as seen in popular apps like Pokemon Go, Google's Animal, IKEA Place, Apple Store and it is very popular as a concept in movies like Iron Man and many, many more.

The key to this competition will be to think of a good use for AR. This could be a fun game, a way of communicating, shopping, holidays/travel, a creative function within artwork, something music or movie related, measuring, wayfinding or even just something to pass the time.

There are no limits!

Each pupil entry must include: Name, Year and School

Chance of winning...

- **First prize of a Fire HD 10 Tablet,**
- **Second prize of a Fire HD 8 Tablet**

Third prize of a £50 amazon voucher

Corn Na nÓg Through to Quarter Final

Another Tyrone v Derry encounter this week, with the resistance this time coming from St. Pat's Maghera.

The south Derry lads were physically very big and dominated the first 15mins scoring no fewer than 3 goals, playing into a very strong breeze. The CBS squad sparked into life with the introduction of Trillick's Peter Garrity up front, who along with Diarmuid Martin, Adam Dolan and Brandon Downey got the scoreboard moving in favour of the west Tyrone lads. Pdraig Goodman nipped up to score a late goal at the end of the first half and the Brothers were only too relieved to go in at half time playing with the breeze winning by the narrowest of margins.

HT score; Maghera 3-01 to Omagh 1-08 Mr McFlynn made several half time substitutions and made some positional changes to the line-out for the second half. Young Matthew Garrity was introduced as a sweeper and instantly made an impact starting off a fantastic move that saw omagh score a great goal, neatly taken by Drumragh's Conor Fyfe. Peter Colton rifled in another goal in quick succession and the Omagh side dominated proceedings for a lengthy period. Big full forward Matthew Diamond, Don Mullholland and Fionn Cartin were a constant threat up front for Maghera alongside the small but highly versatile Enda Murphy. Sean O'Kane and Donnacha Collins we're outstanding in defence for Maghera intercepting numerous attacks with some fine tackling and blocking. The white jerseys trimmed with blue and black kept the pressure on and eventually were rewarded with a superb goal hitting the top corner of the net to make the final 10mins of the second half very tight indeed. Omagh responded well with some nicely taken frees and a Brandon Downey goal left 5 points in it at the full time whistle.

Full time score:

Omagh CBS 3-13 to St Pat's Maghera 4-05

Mark McGeehan from Ballinderry was the official who did a great job in a keenly contested affair at the immaculate Kildress Wolf Tones GFC facilities.

Unfortunately for the Maghera side they have failed to qualify from the group but instead go into the Shield competition where we wish them the very best of luck.

Our team qualify top of group B and will play either St. Colman's Newry or St Pats Armagh in the quarter final.

Soccer

Our U18 Soccer team suffered defeat in the last 16 of the School's Cup this week as they went down 3-2 against Ashfield Boys School in Belfast.

The boys came up against an excellent side and the game was decided by small margins with the winning goal coming deep into injury time.

The CBS goals came from Callum Daly and Charlie Donnelly.

Voice Lessons will be starting soon in school.
