## Music Visit

What an absolute pleasure to welcome Omagh Community Youth Choir Official founding member Daryl Simpson and former pupil Brian McNamee, to our Senior Choir rehearsal this week. Both Daryl and Brian are no strangers to the international and local stage as singers. They called in to promote the Omagh Community Youth Choir.

## Corn na nÓg

**Omagh CBS 3-15 v Saint Eunan's College Letterkenny 1-07**

Our boys had a good victory in their first group game on Wednesday. They played St Eunan's Letterkenny in wet and windy conditions at St Pat's Park, Omagh.

The Donegal visitors have moved up from B grade and have some great competitors on their side. The scoring threat from Brothers lads was just too strong in the day with goals from full forward Diarmuid Martin, Tattyreagh sharp shooter Brandon Downey and Trillick's Matthew Garrity.

The big Fintona midfield partnership of Peter Colton and Pdraig Goodman stood strong and dominated proceedings. Indeed Colton enjoyed kicking 3 superb points in the 2nd half against a stiff breeze.

Omagh's Cathal Cunningham, Red Knight Cathal Farley and Ryan Baxter from Drumragh kept things squeaky clean in defence and overall it was a good first outing for our boys in the first competitive game of the season. Fair play to Letterkenny for a very fair and sporting encounter.

Our Year 8 footballers made their competitive debut in the CBS jersey this week in an excellent competition organised by Tyrone GAA. Three CBS teams played their heart out against other Tyrone schools at Garvaghy. Well done to everyone!
