Telestack Training Programme

Day one of our collaboration programme with industry!
As part of our long term STEM development, this week we marked the beginning of our after school training programme for some of our Post 16 students with local engineering company, Telestack Ltd. Over the next 6 weeks, Telestack engineers will be in our Technology department delivering training in CAD and hydraulic skills – an amazing opportunity for an insight into real life engineering.

Seachtain na Gaeilge

Tús maith curtha ar Seachtain na Gaeilge 2023 nuair a tháinig Eimear ó Comhairle Na Gaelscolaíochta chun na scoile chun labhairt linn faoi ghairmeacha na Gaeilge.

A great start to Seachtain na Gaeilge when Eimear from Comhairle na Gaelscolaíochta gave an informative presentation to our Year 10 & 12 Irish students on Irish medium career opportunities.

If you would like to travel on our supporters bus can you purchase your seat by **Friday 3rd March at 12 noon**. The cost will be £20.00 per pupil. This includes cost of bus and a Big Breakfast (including a Fry Option) in the school Canteen before departure. (Tickets are to be purchased online pupils). Travel times are to be confirmed upon the announcement of the match throw-in. Bus places will be provided on a first come, first served basis, paid via the cashless system. A consent form will be sent out to parents this morning, copies available at reception.

Hogan Cup Final

Supporters Bus

Friday 17th March

£20.00

Big Breakfast included

Croke Park here we come!!

Congratulations on the fantastic achievements of our musicians Jamie Reditt 9C and Oran Farley 11D: Jamie passed his Grade 3 Guitar Exam with Merit. While Oran passed his Grade 8 Trad Fiddle exam with Distinction. Well done boys.

Changing lives through a love of books and reading

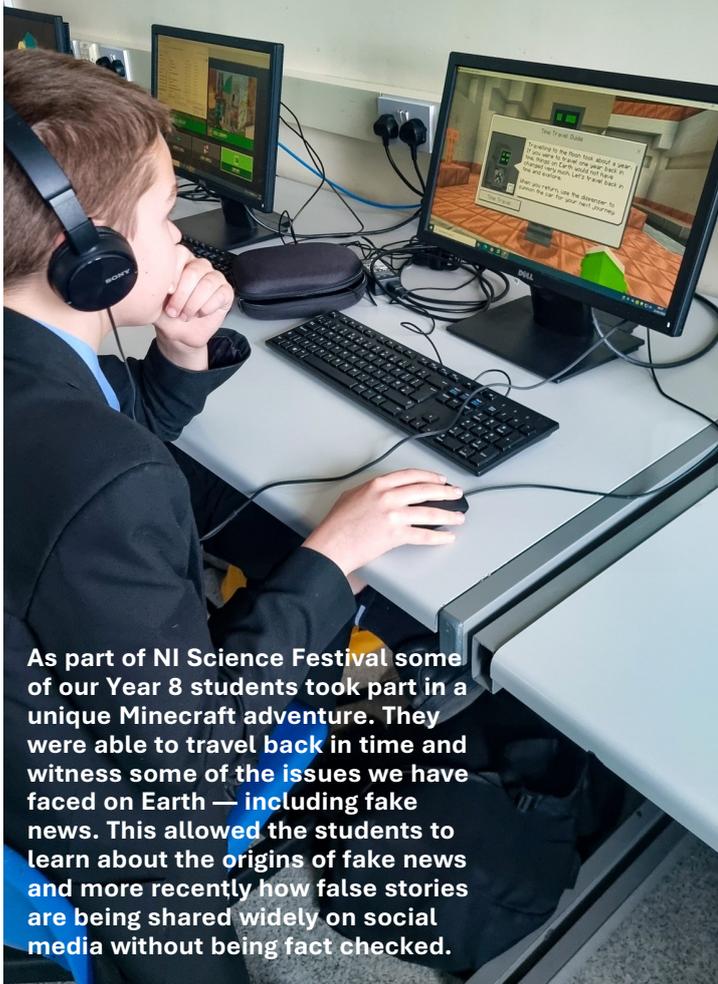

World Book Day® is a charity sponsored by National Book Tokens

Registered charity number 1077020 (England and Wales) | Registered company number 01280991 000

School can be a busy environment, luckily Mrs Duncan has created a quiet space in our library to relax and get lost in a good book.

Year 8 Minecraft Adventure

As part of NI Science Festival some of our Year 8 students took part in a unique Minecraft adventure. They were able to travel back in time and witness some of the issues we have faced on Earth — including fake news. This allowed the students to learn about the origins of fake news and more recently how false stories are being shared widely on social media without being fact checked.
