

SPEAKERS FOR SCHOOLS, NORTHERN IRELAND

Monday 3 April 2023

Would you like to Unleash your coding hero? Dive into Data & AI? Or maybe you'd like to Think like a Hacker?

With several virtual insight, and in-person work experience placements, don't miss your opportunity to experience a taste of Kainos, meet their people, and get hands-on experience of web development.

No clue about IT or coding? No problem! You'll be assigned a mentor who's there to help every step of the way. Search Kainos and find the work experience you have been looking for!

Med School 2024 Bootcamp - Virtual Twilight Event (6-7pm)

Are you applying to Medical School next year?

Would you like a better understanding of what the medical school application process involves, and how you can start preparing for it?

This virtual event will be hosted by Dr Lynch and Dr Loughrey to help you start exploring what you can do over the summer months, from drafting your UCAS application to preparing for the interview stages of this very competitive course.
