Trip to Telestack

Last Week, our A Level and GCSE Technology students joined our Year 11 BTEC Engineers on an industrial visit to Telestack to see what opportunities are on their doorstep in the world of mobile bulk handling systems. Telestack has always been a welcoming and supportive environment for our students over the years and these strong links continue to thrive even when our pupils move on from Omagh CBS. Thank you to the excellent tour guides for showcasing the high quality of engineering and manufacturing at their Doogary and Bankmore road sites.

Boxing

Congratulations to Year 8 pupil Conan McLaughlin, who attends Dukes BG Omagh, for winning the Ulster 9 County Novice Championships at the weekend in Downings, Co. Donegal.

Golf

Year 8 pupil Niall Lenaghan completed the final event of the US Kids NI Tour last weekend. He came in third and cemented his overall Third place in the Tour. Niall is pictured with his medal for his Sunday finish, along with the trophy for a Top 3 finish. Well done Niall!
