The Senior Choir participated in the Derry International Choral Festival earlier this week. They have worked tirelessly in preparation for this competition. It was a fantastic display of choral talent from schools from the North West. They had an entertaining vocal workshop and listened to a performance by the Male Voices from Basel in Switzerland. Although we weren't successful in our quest for first place, the boys performed admirably and showed that there was "Something Inside So Strong".

## Senior Debating Team

Developing Young Leaders. On Thursday 19th October, our newly formed Senior Debating Team, competed in Round 1 of the Concern Worldwide Debate competition. Our Senior Team proposed the motion 'Will Africa regret its reliance on China?' Their opponents for this motion were St Colman's College Fermoy, Co.Cork. Both schools certainly embraced the opportunity to develop their debating skills, and gain a deeper understanding of the global issues affecting millions of people. All schools get the chance to take part in three unique debates and learn about development issues across the globe, and the work of Concern. Well done to our Senior Debating Team. Looking forward to Round 2 in a few weeks time.
