## Success for Senior Debate Team

Congratulations to our Senior Debate Team. The Concern Worldwide adjudicators recently awarded them with a unanimous win! They were tasked with opposing the motion that 'African nations must be allowed to develop fossil fuel resources to help lift their people out of poverty'. They were faced with a strong proposition side in St Dominic's High School, Belfast. The adjudicators commended the team on their 'thought-provoking debate, highlighting the salient points on this highly important topic...making very relevant and compelling points and counter-arguments.' Best of luck to the team for Round 3.

## 2023/4 MacRory Cup Campaign

We would like to thank Peter Donnelly of PD Coaches for his continued support of our school teams. Peter has once again agreed to be the main sponsor of our MacRory Cup squad.

We would like to thank Clara Daly of Daly Performance Zone for her generous contribution to support the running of our MacRory Cup squad.

Clara offers Level 3 Sport Massage Therapy and a range of other treatments to enhance not only your sporting performance but also your day to day mobility.

## U18 Soccer

Our U18 Soccer team bowed out of the School's Cup last Friday after a 3-2 defeat against last year's winners, Integrated College Dungannon.

In a game that could have went either way, it took extra-time to separate the two sides. The game hung in the balance until the final seconds but unfortunately our boys landed on the wrong side of some very fine margins.

Well done to Jack Kennedy who performed with the Senior Orchestra in The Alley Theatre last week.

## IMPORTANT NOTICE

At the moment we have a number of pupils in school who are highly sensitive to nuts in particular peanuts, exposure or ingestion of nuts can cause very serious health problems for some students therefore we would very much appreciate if pupils **refrain from bringing nuts or nut products** i.e. peanut bars, sweets, into school, and to remain diligent if any of their friends suffer from nut allergies.
