Splatoon 3 Competition

On Friday some of our top gamers in Year 9 qualified for a place in the Digital Schoolhouse regional Splatoon 3 competition. The competition provided our students with the opportunity to battle against other schools, commentate on matches and learn all about esports, teamwork, strategy, tactics and communication in an online setting. Well done to the lads who finished in 3rd place overall. A special mention for James Maloney who was selected to commentate on the final battle after demonstrating a flair for the microphone throughout the competition.

Free Breakfast Event

This week all our pupils availed of a complimentary breakfast courtesy of Fermanagh and Omagh District Council. The Department for Communities provided the funding towards a food-related initiative to help alleviate food insecurity for our pupils.

The pupils greatly appreciated the gesture!

Thanks to the Canteen staff, who as always prepared a delicious range of food.
